

EYE CHECKUP CAMP

Healthy Eyes, Bright Future!

We successfully organised an Eye Checkup Camp in collaboration with Vasan Eye Care on 28th & 29th July for all our students at TAIPS. Regular eye checkups are essential to support a child's growth and learning. We thank the medical team for their support and care!

PRE KG - ACTIVITIES

Colourful beads picking using a toothpick

This simple yet joyful exercise helps improve:

- Hand-eye coordination
- Fine motor skills
- Concentration & control

Tape the Ball

Our tiny tots had fun with a creative fine motor activity — taping the ball!

This engaging hands - on session helped to improve hand-eye coordination, focus and creativity, all while keeping the little ones excited and active!

Pattern Building Activity

Our **PRE KG** children enjoyed Pattern Building Activity, exploring shapes, colours, and creativity.

Colour Ball Matching

Our little champs enjoyed a fun-filled **Colour Ball Matching Activity**. This hands-on activity helped improve their colour recognition, hand-eye coordination, and fine motor skills—all through playful learning!

JR.KG - ACTIVITIES - SORTING ACTIVITY

Our little learners of **Junior KG** had a joyful time doing their **Sorting Activity today!** They sorted colours, shapes, and everyday objects with great excitement and focus. These early activities help to build thinking skills, observation, and independence — the first steps to confident learning.

COLOR SORTING ACTIVITY

COLOR SORTING ACTIVITY

COLOR SORTING ACTIVITY

COLOR SORTING ACTIVITY

Gross Motor Skill Activity

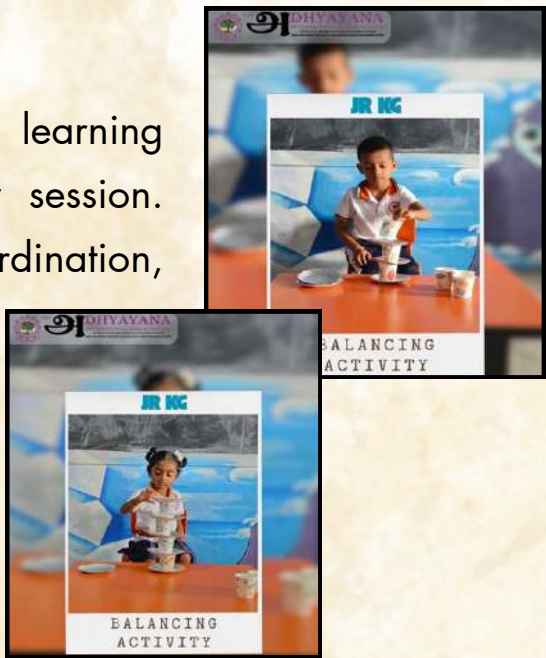

Our little champs from **Junior KG** enjoyed an energetic **gross motor skill activity** on the turf ground! These playful exercises help strengthen their muscles, improve balance, coordination, and build confidence – all while having lots of fun outdoors!

Balancing Activity

Our **Junior KG** children had a joyful time learning balance through a fun-filled physical activity session. These simple movements help improve coordination, focus, and physical control in early learners.

At Adhyayana, we believe in building strong foundations — both in mind and body — right from the start.

Basket heads activity

Our **Junior KG** children had a joyful time learning **Basket heads activity fun-filled physical activity session**. These activities help promotes teamwork and collaboration, encourages sharing and taking turns, develops patience and perseverance. This activity can be a fun and engaging way for kids to learn and develop essential skills!

Blindfold activity

Our little kids learn to trust, focus and explore using their senses. This playful activity boosts confidence, teamwork and sensory skills all while having lots of fun. This activity provides a unique and engaging experience, encourages kids to step out of their comfort zone.

SR.KG - ACTIVITIES

Cup stack challenge

Kids stack and unstack cups in a relay format working together to complete the challenge.

MONTHLY ACTIVITY - GLOBAL PARENTS DAY

A day filled with joy, laughter, and memories!

From "find your kid to **"hula hoop race "dressing with newspaper,"** to rope ball" and "Make over to mom"- our Pre-KG, Junior KG, and Senior KG kids had fun filled time with their beloved parents.

Your smiles, spirit and energy turned the event into a day to remember. The bond between school and home just grew stronger.

TRAFFIC RULES

Our Kindergarten students learned about traffic signals and road safety in a fun and interactive way! Through a hands-on activity using colourful objects, they discovered the meaning of **Red (Stop), Yellow (Wait) and Green (Go).**

This engaging session helped them understand basic road rules and the importance of safety from an early age.

The session introduced basic **road safety, traffic signals,** and pedestrian rules in a fun, child-friendly way.

Early education on safety builds lifelong habits! Watch how our kindergarteners observed, interacted, and learned the importance of being safe on the road.

Kindergarten traffic awareness, traffic safety kids demo, road safety for students, TAIPS kindergarten activity, school traffic safety demo and early childhood traffic education.

STORY TELLING - LAZY JOHN

"Lazy John learns his lesson!" Our tiny tots at The Adhyayana International Public School enjoyed the tale of Lazy John. A fun-filled storytelling session that sparked joy and imagination in every little heart.

GRADE - 1 & 2 - Tamil Literary Competition

Tamil Literary Competition was successfully conducted for students of Grade 1 and Grade 2. Based on the topic:

***Thirukural reciting, *Story narrating**

These events were a good opportunity to develop students' Tamil language knowledge and speaking skills. Great our students participated with enthusiasm.

Tamil Class Activity

Language learning is always exciting at **Adhyayana**. Grade 2 children enjoyed a creative **Tamil activity** where they learnt about animal sounds in a fun and interactive way.

ICT Activity

Sorting is a great way to get your children thinking about what is natural and what materials are man-made that we use in our everyday lives. Students of **Grade 1** sorted the natural things and man-made things.

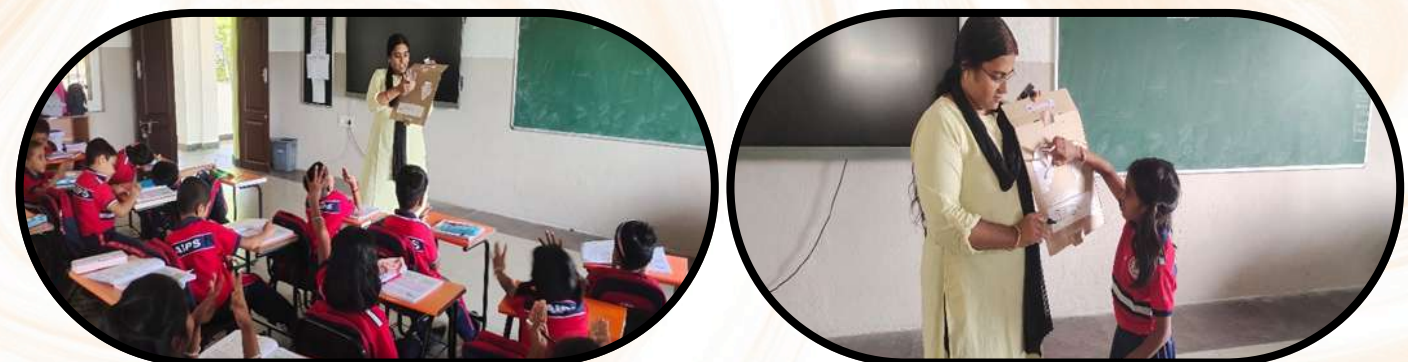

Computers possess several key features that make them powerful and versatile tools, including accuracy and **speed, storage, work process, feelings, instruction,** decision Students of **Grade 2** performed a role play on the characteristics of the computer.

MATH Activity

Finger addition is a fun and effective **math addition activity**. We have shown the child how to use their fingers to add numbers. Students of **Grade 1** learn with fun by using their fingers. **Finger addition activities** offer a hands-on, visual way for children to learn and practice basic math concepts, making addition more concrete and understandable.

EVS Activity

Outdoor games helps to improve physical health, boost energy, and relieve stress, whereas indoor games help sharpen your mind, improve your concentration. Celebrating festivals is one of focus on expressions that evoke joy; connection and cultural richness. Our Grade 2C students unleash their creativity to join the celebration of festivals like National festivals and Religious festivals. Our students experienced an authentic festival and participated happily and enjoyed in customary rituals. A family is a heaven of shared history, a constellation of personalities bond of love and sometimes, a healthy dose of strength. Our Grade 2 B little Champs shared their experiences in a collection of unique individuals whose lives are intertwined and creating a bond that transcends times and circumstances.

GRADE - 3 TO 5 ENGLISH ACTIVITY

Making Grammar come Alive!

In this engaging Grammar session, Students of Grade 4 & 5 explored different types of nouns. Using toys and classroom objects, they identified and classified nouns, making abstract grammar rules clear and interactive.

SOCIAL ACTIVITY

"Be a climate warrior"

Students created colorful pictures on the theme "SAVE THE EARTH." They used various art materials and slogans to convey their message. The activity encouraged creativity and environmental awareness. Students presented their pictures and shared their ideas. This exercise promoted critical thinking and action against climate change.

SCIENCE ACTIVITY

Exploring the model of Digestive system

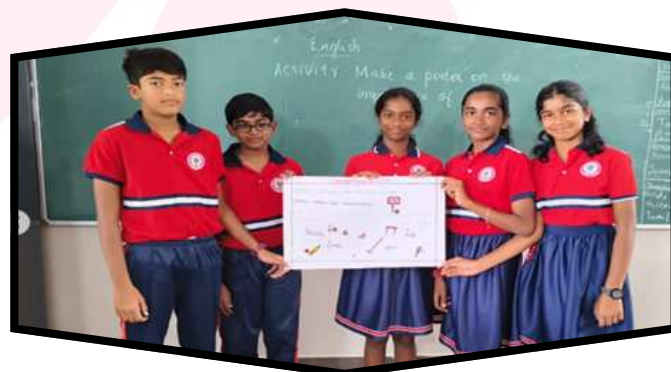

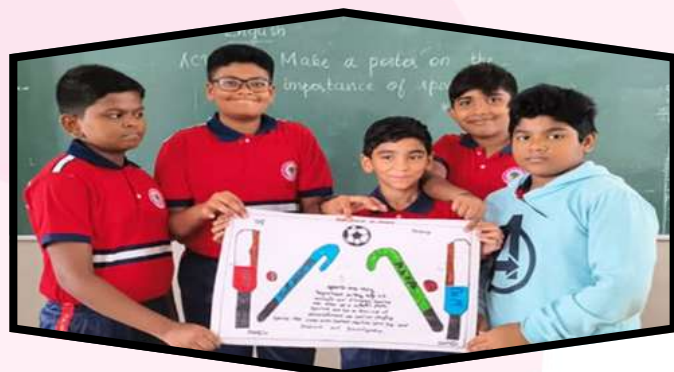

Our Grade 4 students explored the model of digestive system. Guided the learners to specify the organs of the digestive system. Students were able to describe functions of the organs of the digestive system. Students were able to identify and label each part of the digestive system.

GRADE 6 TO 8 - ENGLISH ACTIVITY

As part of Unit 2 **"Pushing the Limits,"** Grade 7 students designed creative posters highlighting the value of sports – from building discipline and teamwork to fostering resilience.

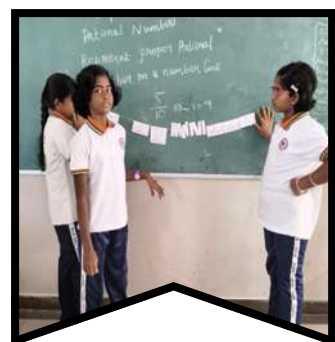

A visual celebration of sports and its life lessons!

MATH ACTIVITY

Math became exciting for our **Grade 7 students** as they explored algebraic expressions and rational numbers!

They understood concepts such as like terms, additive inverse, and rational numbers on the number line — all through classroom games and problem-solving sessions.

SCIENCE ACTIVITY

Our **Grade 6 students** explored magnets through hands-on experiments like sorting materials, testing magnetic strength, and learning how magnetic force works without contact. A fun-filled day of science in action!

SOCIAL ACTIVITY

It was a royal scene in our **Grade 7 classroom!** Students dressed up and acted as rulers and leaders from the Delhi Sultanate period.

Through this role play, they learned history not just by reading — but by living it. A proud moment for both students and teachers!

STONE AGE

Our Grade 6 students travelled back in time and brought the stone age to life through a creative role play!

From tools to cave life, they acted out the lifestyle of early humans with excitement and energy. A fun way to learn history through performance!

PROUD MOMENT FOR ADHYANANA

Our **Under-12 girls** team secured the Runners-up position in the Nathan Trophy Football Tournament! A big congratulation to **Dheeksha.D** for winning the Best Player award! We are truly proud of our students' hard work, team spirit and dedication. Keep shining!

Congratulations to our champions: Sri Raam N (VIII-B) - won gold in Taekwondo
Sri Dharsan N (IV-A) - won gold in Taekwondo.

SKATING COMPETITION

We are happy to share that Anirudhan S, a student of our school, won medals in the Coimbatore Sahodaya Inter-School Boys Skating Competition for the academic year 2025-2026.

He won:

- Gold Medal in Inline U-16 Rink Race – 600 metres
- Silver Medal in Inline U-16 Rink Race – 400 metres.

We congratulate Anirudhan on his excellent performance and wish him more success ahead.

பாவேந்தர் தமிழ் இலக்கிய மன்றம் தொடக்க விழா

We are happy to share that the Pāvēndar Tamil Ilakkiya Mandram (Tamil Literary Club) for the **academic year 2025-26** was successfully inaugurated at our school! The event celebrated the richness of Tamil language, literature and culture, encouraging students to appreciate and preserve our heritage.

At The Adhyayana International Public School, we proudly nurture our students' love for Tamil through activities, competitions and literary events.
