## Uyir Kutty Cops Awareness Program at TAIPS

The Uyir Kutty Cops team visited The Adhyayana International Public School, Coimbatore, and conducted an engaging and informative traffic awareness session for our students.

Students of Grades 3, 4, and 5 actively participated in the session, where traffic rules and road safety were explained in a simple, child-friendly and practical manner. The team used an interactive dice-based learning activity to help students understand traffic signals, pedestrian safety and responsible behaviour on roads. The session created strong awareness among students about road discipline, safety rules and civic responsibility, while keeping the learning experience enjoyable and meaningful.
