Vol-2 | July-2023

SCHOOL ASSEMBLY

Our little stars shined brightly as they gathered together for a special moment of fun and learning. It's heartwarming to see these young minds full of curiosity and enthusiasm in the morning assembly.

ROLLING TROPHY

Every week on Monday assembly the students and faculties of **TAIPS** are chosen by their class teacher's and coordinator to receive the star of the week and handwriting badges based on the various performances. It is a great way to motivate students and faculties to share their success together.

"The smart way to keep people passive and obedient is to strictly limit the spectrum of acceptable opinion but allow very lively debate within that spectrum"

Every month the best two classes will be awarded for its sterling performance. This month the Rolling Trophy goes to **Grade - IV * B and VI * A.**

HEALTHY CLASS

Congratulations to **Grade IV - A** students for their excellent attendance and being rewarded as the **HEALTHY CLASS** of the month! Maintaining a 100% attendance for 10 out of 22 days is an impressive accomplishment, and even on the 8 days with one absent, their overall attendance is still remarkable. Having such high attendance shows a dedication to learning and a commitment to being present and engaged in school activities. It also reflects positively on the students' discipline, responsibility, and the support they receive from their parents and teachers. A Special congratulation goes to the class teacher, Mrs. Sumalatha, and the entire faculty team for their efforts.

This recognition not only boosts the morale of the students but also sets a great example for the rest of the school community. It demonstrates the importance of regular attendance for academic success and overall well-being.

KG ACTIVITIES

YELLOW DAY

Yellow - the colour of sunshine, hope and happiness. Tiny tots of TAIPS celebrated **Yellow Day on 4th JULY 2023**. The motive of celebrating this day was to make the kids aware of the colour yellow. This day began with fun-filled activities related to the colour yellow. All the students were dressed up in different shades of yellow. The children enjoyed all the activities done related to yellow colour.

★ GREEN DAY

Green - the colour of life, renewal, nature and energy, is associated with meanings of growth, harmony, freshness, safety, fertility, and environment. The students of **Junior KG** celebrated **"GREEN DAY" on 4th JULY 2023** with the main motive to make kids aware with green colour and what importance does it hold in our day to day life. Our Little champs were delightfully dressed up in Green; they were introduced with various shades of colour Green.

CLOWN DAY

Clowns Day is a fun and lighthearted celebration dedicated to clowns and their art form. It's a day to appreciate the joy, laughter, and entertainment that clowns bring to people's lives. Kindergarten Kids celebrated Clowns Day on **July 11th** to recognize the efforts clowns across the world put in just to make a people laugh.

JUMBO DAY

Step right up! Ladies and gentlemen, boys and girls! Our adorable kindergarten students had an unforgettable **Jumbo Day Celebration** in our school premises on July 18th. This day celebrates life of Jumbo the Elephant. Elephant the magic of the circus came alive as our little stars transform into daring majestic elephants.

LADY BUG DAY

On **18th JULY 2023** our **Pre-KG** little ones celebrated Ladybug Day! The excitement and joy on their faces were simply priceless!

Our tiny tots got to learn all about these cute and colorful insects that are truly nature's little wonders. They discovered fascinating facts about ladybugs, such as how they help protect our gardens by eating pesky aphids and other harmful pests. The children were all dressed up in the Red costumes, making our classrooms look like a garden full of lovely ladybugs! Their laughter and giggles filled the air as they participated in fun ladybug-themed activities and games, creating sweet memories that will be cherished forever.

SHOW AND TELL ACTIVITY

SHOW AND TELL FUN WITH OUR SENIOR KG SUPERSTARS!

Hey **ADHYAYANA** family! On **25th JULY** we had an amazing Show and Tell activity with our brilliant **Senior KG Students**, and the topic is all about **"Exploring the Wonders of Nature!"**

Our little nature enthusiasts brought in a whole array of fascinating items that showcase the beauty and importance of our natural world. From colorful leaves and delicate flowers to intriguing rocks and shells, they truly amazed us with their knowledge and enthusiasm!

SHOW AND TELL FUN WITH OUR JUNIOR KG SUPERSTARS!

Our little champions beamed with joy as they proudly presented their most cherished toys on **25th JULY** to their classmates and teachers. From cuddly teddy bears to shiny toy cars, every show and tell item brought smiles and giggles all around!

We were amazed by the creativity and imagination displayed by our young learners as they explained why their toys are so special to them. It was heartwarming to see the friendships and bonds forming as they shared stories of playtime adventures and happy moments with their toys.

Through this activity, we aimed to nurture their communication skills, boost their self-confidence, and encourage them to express themselves freely. Show and Tell is not just about toys; it's a stepping stone in their learning journey, where they learn to listen, respect, and appreciate each other's interests.

It's heartwarming to see the innocence and wonder in their eyes as they bond over their favorite toys. Let's continue fostering their imagination and curiosity, making their early learning years full of joy and exploration.

CLASS ACTIVITY

Learning is fun and experiential learning reiterates the concept taught. Input-process-output, cross curricular activity done by students to learn in a fun and experiential way by sowing a seed for Input - watering it for Process - and finally a shoot for Output.

EVENTS

KG ORIENTATION PROGRAMME:

To familiarize with the parents of TAIPS family as partners in progress, with the curriculum and activities, that could be held in the school for child's development throughout the year, an orientation programme was organised on **15th JULY**. We look forward to a wonderful year ahead with our little young learners of KG WING of TAIPS.

AWARENESS PROGRAMME

DRUG ABUSE AWARENESS PROGRAMME

Our TAIPS took a significant step in promoting a healthier and safer learning environment! We conducted a Drug Abuse Awareness Program for the students of **Grade 8-11 on 25th JULY**, aimed at equipping them with vital knowledge and tools to make informed decisions about substance use.

Let's continue working together to create a supportive environment where our students can thrive and make positive choices for a brighter future. Say **NO** to drugs, and **YES** to a healthier, happier life!

EYE – CAMP PROGRAMME

The Adhyayana International Public School organised an eye camp for the students from **Pre-KG to Grade 11**, teaching and non teaching faculties. They were the eye specialists from The Eye Foundation. They examined the students' eye vision with state of the art equipments. The main motive of the general eye check up is to facilitate detection of early deficiency among the children, provide help and tips on caring and protection of their eyes. The camp witnessed enthusiastic participation from the students.

SCHOOL SPL ELECTION

The Voices of Our Students Resound! YES! It's Student **Council Election Day held on 18-07-2023**

It marked a momentous day for our school community as students exercised their right to vote for the Student Council! We witnessed democracy in action, and we're incredibly proud of the enthusiasm and engagement shown by our students throughout the voting process. The Student Council is not just about governance; it's about fostering a strong sense of community and creating an environment where every student feels heard, supported, and empowered. Together, we will build a school that thrives on unity, inclusivity, and diversity of ideas.

INVESTITURE CEREMONY

Student Council Investiture Ceremony was held on **25th JULY - TAIPS** proudly introduce the newly inaugurated Student Council of the **year 2023-2024!** Congratulations to our talented and dedicated student's leaders who will steer us towards a brighter future. Let's support them in their mission to make our school a better place for everyone!

ACHIEVEMENT OF TAIPS

A Proud moment for our school – TAIPS received Award for the Excellence in imparting Sport Education and Skill development Program for students by **ELDROK INDIA K12 SUMMIT - India K12 Awards 2023.**

AI - MINI PROJECT

Our little champ **Rahul** from **Grade – VII**, has created a mini project called **PORTABLE FAN** and he demonstrates his mini project to the audience.

ATHLETE

Our school student DIKSHA (VI-B) secured the third place in the **long jump event** at the **Kaveri Delta State-level athletes meet held in Trichy District**. It's a remarkable achievement and a testament to her talent and hard work. Winning at the state level is no small feat, and we should be proud of her accomplishment.

SKATING

Congratulations to our skating champion - Anirudh of Grade – VIII. Your skills on the board were truly remarkable, and you've earned the title of our **Skating Runner! - Coimbatore Sahodaya Skating Championship**. We're thrilled to have you as part of our skating community, inspiring others with your talent and dedication. Keep shredding, and let's continue to celebrate the passion for skating together!

FOOT BALL BOYS

Exciting News! Our school teams have achieved remarkable success in the **state level football tournament!** The hard work, dedication, and team spirit have paid off, and we couldn't be prouder of our talented players! Let's celebrate their triumph and cheer them on for even greater victories in the future!

FIELD TRIP

Exploring the Wonders of Nature at Gass Forest Museum!

19th JULY was an unforgettable day for our Grade 3 and Grade 4 students as we embarked on a thrilling journey to the Gass Forest Museum! The museum is a treasure trove of knowledge about our planet's diverse ecosystems and the importance of preserving our precious natural heritage. It was heartwarming to see our students engaging and asking thought-provoking questions. Their curiosity and enthusiasm were truly inspiring!

Our trip to the **Gass Forest Museum** reminded us of the responsibility we have to protect and conserve the environment for future generations. We had the Head Scientist for Environment and Senior Program officer explain about our contribution to the betterment of Environment in a very interactive session.

Let's pledge to be stewards of nature and work towards a sustainable future.

We are nurturing young minds and fostering a love for nature that will last a lifetime.

Congratulations to our amazing school girls' football team on their outstanding victory in the FOOTBALL tournament! We are thrilled to announce that our talented athletes have emerged as CHAMPIONS, showcasing their incredible skills and teamwork throughout the competition.

9-20 SCIENCE PROJECT

Glimpses of our students presenting their projects in **G20- Science Summit @ Codissia** organized by Coimbatore Sahodaya and Grade 9 and Grade 11 students Visit to G20- Science Exhibition to Codissia.

BOOK FREE DAY

This time book free day held on 17th JULY and the students from Grade – I to VIII enjoyed lot and learnt many new things on this day. Students engage in various activities like art and craft, wealth from waste, solo dance, pot painting and so on....
